MOTION TO WITHDRAW AS COUNSEL

Comes Now, Richard S. Phillips, and moves the Court to withdraw his appearance as counsel and support thereof states as follows:

1. Defendants in this matter hired counsel to review matters for them and in this process, counsel was involved in negotiating an extension of time for Answer.
2. And according to the fact, counsel never formally entered an appearance in this case, but was mentioned in a submission by Plaintiff's counsel to the Court requesting an extension of time for the Answer.
3. Prior to the time for the Answer, counsel was informed by his client Mary DiBernardo, Esquire, who is a lawyer licensed to practice in the state of New Jersey, that she would be proceeding *pro se* in this matter and would not require my further assistance.
4. And in addition, client mentioned that she had several additional advisors who she felt could assist her in the event that it was necessary. In any case, she made it clear that she did not wish for me to continue working in this matter.
